A World to Be Born Under Our Footsteps

"Education makes
people easy to lead
but difficult to drive.

Easy to govern,
impossible to enslave."

We May Never Pass This
Way Again . . .

Celebrate What Is!

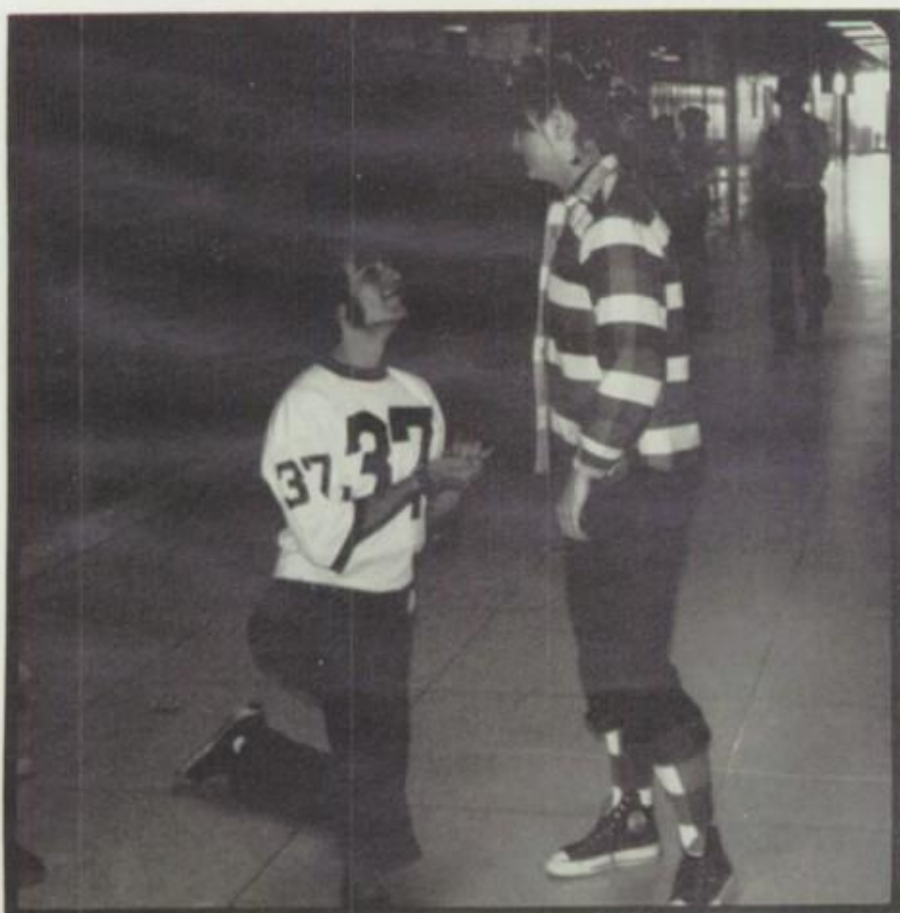

You can't look behind,
or you'll never find
where your going to.
Don't . . . Don't waste your time
looking behind
at things you can't undo.
And don't let it get you down
or turn you around,
what people think of you; 'I
For you will surely find what's
on their mind
isn't really you.
Walk . . . Walk right ahead and
never let it be said
that you're like them too.

A DEDICATION

In Honor of . . . Mrs. Gloria Bourdon

This year the Annual Staff will continue their tradition by dedicating the "75" yearbook to a well known teacher here at Linden. Their choice this year is Mrs. Gloria Bourdon. Her numerous contributions to the school in the past years and this year are greatly appreciated. Some of the various things she is involved in are the Food Tech Program, which serves our faculty plus all sports banquets, and the coaching of girls Softball.

"Here and There" . . . Homecoming 1974

1974 HOMECOMING by Kathy Morgan

The 1974 Homecoming turned out to be a big success. The night started out with a parade through town, then on to the football field for the pregame show. The team added to the halftime excitement with a 16 to 6 lead. Many things happened during the half-time. Among them, the trophy was presented to the Freshman class for having such a great float. The theme for the night was "Cartoon Characters" and the band did a routine from Walt Disney. The Homecoming Queen representatives and Court were escorted on to the football field by their fathers. The Senior candidates were: Geri DeShong, Bo Gannon, and Linda Harris. The Junior representatives were Linda Barrow and Jane McAvoy. The Sophomores were represented by Marla Hendrickson and Minnie Hamilton. The Freshmen representatives were Cheryl Simms and Karen Komorney. Mr. Bant had the honor of crowning Miss Geri DeShong as Homecoming Queen "74". To top the night off the Eagles went on to win the game with Bendle 24 to 6. Immediately following the game a Homecoming Dance was held in the high school cafeteria. Music was provided by the "Tri-fungular Square" group. All in all, 1974 Homecoming was a huge success.

Precious and Few

"Precious and Few" was the theme to the 1975 Junior Senior Prom. On May 24, at the Grand Blanc Country Club, 63 couples had a great evening, dancing to the music of "Sky". The night was a big success and will be a happy memory thanks to the Junior Class under the leadership of Kathy Morgan and the prom committee.

The 1974 Linden Eagles opened their football season with a new look right down the line - a new coaching staff, a new football program, and a new league with Linden joining the Genesee County "B" League.

The 74 Eagles had several standout players which made for a good season. There was an excellent team effort on defense which allowed an average of only 12 points a game. The defense, which got to the quarterback 12 times was led by Bruce Szcodronski's 5 interceptions and Keith Little's 3 fumble recoveries. The leading tacklers were Pat Rodgers and Chuck Menosky.

The offense started off slow because of the fact it was new. The leading ground gainer and scorer was Dave Boyce with 791 yards and 70 points.

The 74 Eagles who won all league awards were: First Team, Keith Little, Chuck Menosky, and Bruce Szcodronski, Second Team, Joe Hnatow Pat Rodgers, and Dave Boyce.

The 1974 Speedball Team finished the season with a 1 win and 9 loss record. This was Linden's first year for speedball since 1971. Though the girls were inexperienced they fought hard and gave the other schools in the B League some tough competition.

Sandra Chapelle, our center forward, made first team B League and Maureen Plude and Donna English made honorable mention.

Linden's Golf Team proved to be overly competitive in its first year in the County B League. The Eagles won 10 out of 12 inter-league dual matches, losing only to Flint Bentley and to league champions-Flint Atherton. Overall the Eagles had a fine 16-2 record and finished second in the County League.

Senior Pat Kishpaugh completed a fine golfing career as Linden's number one man with an excellent 41.2 stroke average. Junior Jeff Seaton and Andy Peterson finished the season neck-to-neck with stroke averages of 43.3 and 43.2.

Other members making up the Eagle golf team, who played either in Varsity or Junior Varsity matches are Mike Rambut, Craig Charbonneau, Roger Ashley, Mike Hayes, Chris Shock, Curt Pedersen, Ken Giovannini, and Richard Krall. Special recognition should be given to Elizabeth Joyes for not only her golfing progress, but also for her ability to withstand the uniqueness of being the only female on an all male team.

The 1974 cross country team went through a fine season considering the inexperience of the team. Linden finished the season by capturing the Regional championship and sharing the title with Hamady as County "B" champions. Linden, who finished the season with a 12-1 record, have piled up 53 wins and 2 losses over the past 3½ seasons. Junior Mike Stephens led the team as he won many individual titles including a fifth place finish in the state meet which earned him "All State" recognition.

Playing in Class B this season was an opportunity to oppose new teams, the majority providing tough competition. The girls played a good season under their co-captains Linda Harris and Kim Sloan. This year team was a young one and was lacking experience, but the team progressed rapidly with each game and things look good for next year.

Linden's basketball team entered it's first year in the County "B" league. They first did considerably well as they finished the year with a 10-6 league record and 14-9 overall. That record could have swayed either way as 15 of the 23 games were decided by 7 points or less.

Bruce Szcodronski was the leading scorer all year as he averaged 13.3 points a game, scoring 38 against Durand. He also made second team all-league. Chuck Menosky led in rebounding with a average of 13.6 a game. Chuck Menosky, Terry Lloyd, and Dallas Parks all made honorable mention all-league. These seniors along with Mike Millet and Joe Hnatow will be sorely missed next year.

In order to build an effective wrestling program, it takes the support and cooperation of several people. I'd like to thank the wrestlers, their parents, the administration and the Board of Education for giving the wrestling team the help it needs. This year we tried to give the wrestlers not only a chance to compete, but the opportunity to feel successful a sense of accomplishment and the feeling of belonging. It has always been my goal to direct my athletes to higher achievement not only in wrestling but more importantly in academic and life situations. I believe that some who wrestled are more aware of their responsibility to themselves, to school, and to their world. It is in these hopes that I look forward to next year and thank you for giving us a chance.

and First
Places

The 1975 track team completed its season with a perfect record of 12 and 0 and ran its winning streak to 41 straight dual and triangular meets. Linden's last loss came to Fenton in April 1973. They finished the '73 season with 14 and 2 record. In 1974 their record improved to 15-0. During this span the Eagles ran against some strong teams including Howell, Detroit, Country Day, Flint Hamady, Bently, South Lyon, Fenton, Lake Fenton and Holly.

This year Linden competed in the County B league for the first time. With more complicated rules and further places to travel, the Eagles still defeated all their opponents and captured the League meet in convincing style. Sophomore Kelly Goodknecht was the top scorer in the league meet accounting for 10 of Linden's 74 points. Linden set two new league marks. One coming from Dallas Parks when he ran the 220 in 22.8 and the other in the 440 relay (Parks, Tom Herronen, Bruce Szcodronski, Randy Rife).

TEAM SPIRIT!!!

Girl's Volleyball was a new sport at L.H.S. this year and the team did a good job considering their lack of experience. Next year looks more promising and we hope to have more support from the school.

Our league record was 7-5 and our over-all record 9-6. We placed 5th in the league.

The girl's softball team evened their record at 7-7 for the season. The team's spirit and enthusiasm was an important factor this year. This being their first year in the County B League they made a good showing for the season. They will be losing four valuable seniors and are sorry to see them go.

Cheryl Eller carried the bat for the team having a .526 batting average and leading the team with 26 R.B.I.'s, 24 stolen bases, and 7 doubles. Paula Rodgers came through with 3 homeruns and 3 triples for the season.

The team elected Cheryl Eller as Most Valuable Player, Kelly Carnes received the Sportsmanship Award and Teresa Fraidenburg was Most Improved.

There were six girls who made the All-County Team. Cheryl Eller and Lyn Schneider made the first team, Sandy Chapelle and Paula Rodgers second team, and Debbie Karnowski and Sherry Causey received Honorable Mentions.

Directors

Mr. William Sutherland is completing his seventeenth year of teaching in Linden. In addition to conducting the Eagle Marching Band, Mr. Sutherland also directs the Wind Ensemble, Junior High Concert Band, Stage Band, and teaches Instrumental Technics in the high school.

Mr. Roger Richards is completing his sixth year in Linden. In addition to conducting the Junior High Symphony Band, he also directs the Sixth Grade Band, High School Concert Band I and Concert Band II.

The band's year began with a week of camp at Chief-noon-day. The camp is located in the Yankee Springs Recreation Area near Hastings. The band returned from camp in time to participate in Linden's first "Summer Happening". Fall rushed by with performances at the State Fair in Detroit, Band Day at the University of Michigan, a Marching clinic at Caro, and five home football games. Rehearsals were intensified for the Symphonic Wind Ensemble in November as they began to prepare for a concert for the 1975 Mid-West Music Directors Conference. The band shared an afternoon concert with the Symphony Band from Eastern Michigan University. At this year's District Band Festival the band earned another all I rating. Spring vacation found the band in Central Florida for this year's band tour. The Marching Band performed at Sea World, Lake Eola, and gave two performances at Disney World. The Wind Ensemble played programs in Orlando and entered an International Concert Contest in Lakeland. The band received a Superior rating, many fine comments, and a trophy. In three and a half weeks the band put together this year's Band Bounce. The theme selected was "That's Entertainment". Mayers Exchange Day, Memorial Day, Awards Night, and Graduation brought a busy year to an end.

The JOHN PHILLIP SOUSA AWARD was presented to Jane Bontekoe by a vote of the band.

THE ARION AWARD was given to Ken Kaufman and was selected by Mr. Sutherland and Mr. Richards.

National Honor Society

The members of the National Honor Society are chosen for four basic qualities: Leadership, Character, Service to the Community, and scholastic ability. Throughout the year the members have acted as hosts to the parent - teacher conferences and have tutored various students in need of assistance. They have also assisted the school in the past and have upheld the tradition throughout the present and shall in the future.

Junior Achievement

Junior Achievement is a nonprofit, international organization, in which high school students organize, manage, and operate their own miniature companies. This gives them a first hand look at how our free enterprise system works through the "learn by doing" process.

Many students from Linden attended Junior Achievement's Future Unlimited Banquet on May 7, 1975. Among those receiving recognition were: Dennis Green and Cathy Rice, who both made the finals for Safety Director of the Year. Clifford Gocha also placed second for Vice-President of Manufacturing of the Year, received a \$300 Scholarship, and an all expense paid trip to NAJAC, (National Junior Achiever's Conference), to be held in August at Indiana University.

B- Jim Bidelman, Tony LaMay, John Schnebelt, Mark Peterson, Al Gramer, Jim Lozen, Mike Sharp, M- Chris Young, Lisa LaVasseur, Cindy Brown, Sandy Simms, Nancy Terrill, Keith Henderson, F- John Squire, Lee Burns, Greg Hall, Advisor Mr. Foutch, P. Karen Mefford, Kathy Morgan. Missing: Paula Lucky, Kay Reed

The 74-75 Linden Student Council was extremely active this year, under the direction of a new teacher, Mr. Foutch. They presented three assemblies to the school; a magician, an assembly on extra sensory perception, and also one on Physical Dynamics.

The student council cleaned the football fields up after each home game, and sold light bulbs to buy paint for the bleachers, which are now freshly painted.

This class took the elementary children Christmas caroling.

During the year, several members of the student council met with members of the Holly, Lake Fenton, and Fenton student councils and discussed mutual problems. Much of their class time was spent revising an old edition of the student council constitution. With money they raised, the student council bought a button machine that can make any type of button, or mirror, and paid for the exchange students annuals. On St. Patrick's Day the student council sold green carnations and donated the \$200. profit so two Irish children could spend a summer in the United States, away from the bombings of their own country. On April 19, the student council sponsored a blood mobile, and recruited over 100 people to give blood. At the present time, members of this class are raising money for the St. Jude's Childrens Hospital. This was a successful year for the student council!

Senior Science Trip: Chicago!

SENIOR SCIENCE CLUB TRIP TO CHICAGO

The newly formed Senior Science Club under the direction of Mr. Starrs travelled to Chicago by "Amtrak". While in Chicago they toured many of the great museums and other places of interest.

Many thanks go to Mr. Starrs for the great times and this educational experience.

The Chicago trip was such a success other future trips are planned for the Senior Science Club.

El Club de Español

We ARE going to Spain! The Spanish Club has accomplished its goal set a year ago, and eleven students will go on the trip this summer.

The Spanish Club has had many fun activities this year. These include: a progressive dinner, Halloween, Christmas, skating, and swimming parties, a cocktail party before seeing the "Folklore Ballet of Mexico," a trip to the Loma Linda Restaurant in Ann Arbor, and the Foreign Language Day at Central Michigan University. Our service project was trick-or-treating for UNICEF. The high point of the year was the fourth annual Spanish Club Fiesta. It was the best ever-those skits were really hilarious! We had a wonderful year and are looking forward to new members and even more fun next year!! ¡El Club de Espanol es un gran grupo de amigos!

Linden Athletic Boosters

We believe in the educational value of a total school interscholastic athletic program. Through such a program we believe that the unique talents of each individual can be realized and improved. Also we feel a sound athletic program will give all students who participate an opportunity for growth both mentally and physically.

We endorse the idea of an athletic program developing good sportsmanship on the part of the student body, faculty, parents, and general public.

We, the Linden Athletic Boosters, will use all means possible to bring to our community a full understanding of the value of athletics as an educational tool in training citizens.

Through a mutual understanding with school officials concerning the school athletic policy we will cooperate and support the school officials in the carrying out of that policy.

We will judge the success of those in charge of the athletic program by conduct and attitude of the contestants and spectators rather than on the number of games won and lost.

It is our purpose to enhance the total athletic program through the donation of monies and equipment. These donations will cover equipment that is above and beyond the normal athletic program provided by the Linden Board of Education. All equipment will be of the type which is designed to improve the athlete's skill and appearance in their particular sports.

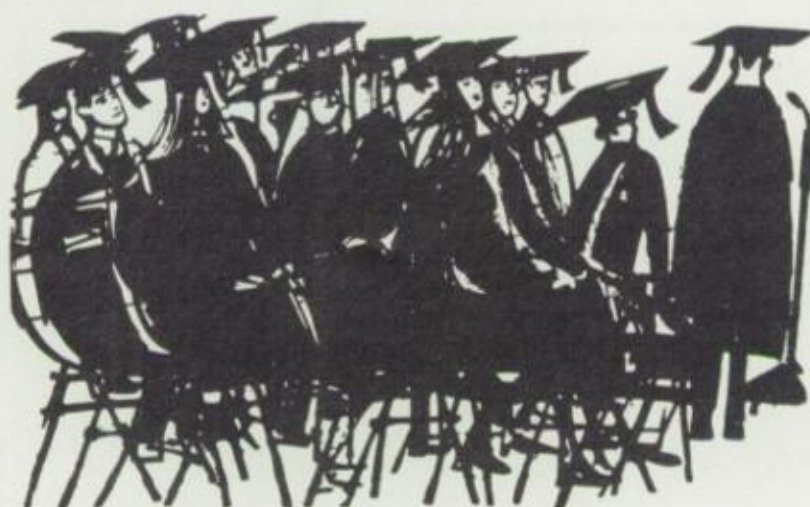

We encourage all adult members of the community of Linden to join the Athletic Boosters and actively support the total athletic program.

Membership is open to all who are interested in athletics and the growth of students.

It is the philosophy of Linden Community Schools Athletic Department to provide interscholastic competition in as many areas as is feasible, within the structure of our Conference affiliation, and schools in our geographic locale. To do so is a continual growing process requiring personnel properly prepared to supervise and coach, upgrading of facilities to accommodate expansion, and a cooperative attitude on the part of all concerned to produce an atmosphere conducive to the quality of program with which the community can identify with pride.

Athletics are an integral part of the educational process in producing young people in a highly competitive society. Within the "team" framework, athletes develop characteristics associated with self sacrifice for the benefit of others, rules and regulations for the good of all, and the need to extend ones self to achieve a desired goal. It is our obligation to provide our young people with not only the opportunity, but with the guidance necessary to experience these conditions in a manner which safeguards them physically and psychologically.
